End Time: Between 18:00 and 18:30 hrs.

Unique Exploration Adventure

This isn't just a fishing trip—it's a camping expedition that allows you to fully immerse yourself in the Amazon's stunning natural beauty. While on the water, you'll have the chance to encounter a variety of wildlife and take in the breathtaking sights as we fish.

Our Amazon fishing tour does not follow a fixed itinerary; it's an exploration adventure. We will navigate based on the species we encounter along the way. Primarily targeting peacock bass, you'll also have the opportunity to catch other exciting species, including catfish, freshwater stingrays, and more.
